

Rev. 9/25

FACTS

WHAT DOES FIRST STATE BANK DO WITH YOUR PERSONAL INFORMATION?

Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we

What?

The types of personal information we collect and share depend on the product or service you have with us. This information can include:

- Social Security number
- Credit history
- Investment experience

- Account balances
- Employment information
- Transaction or Loss history

When you are *no longer* our customer, we continue to share your information as described in this notice.

All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons First State Bank chooses to share; and whether you can limit this sharing.

Who We Are	
Who is providing this notice?	First State Bank
What We Do	
How does First State Bank protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.
	We also maintain other physical, electronic and procedural safeguards to protect this information and we limit access to information to those employees for whom access is appropriate.
How does First State Bank collect my personal information?	We collect your personal information, for example, when you • Apply for a loan • Open an account • Show your government-issued ID • Pay your bills • Make a wire transfer
	We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.
Why can't I limit all sharing?	Federal law gives you the right to limit only • sharing for affiliates' everyday business purposes - information about your creditworthiness • affiliates from using your information to market to you • sharing for nonaffiliates to market to you
	State laws and individual companies may give you additional rights to limit sharing.
Definitions	
Affiliates	Companies related by common ownership or control. They can be financial and nonfinancial companies. • First State Bank does not share with our affiliates.
Nonaffiliates	Companies not related by common ownership or control. They can be financial and nonfinancial companies. • First State Bank does not share with nonaffiliates so they can market to you.
Joint Marketing	A formal agreement between nonaffiliated financial companies that together market financial products or services to you. • First State Bank doesn't jointly market.
